involved on the ground of non-payment of rent. Wednesday the court's attention was called to the fact that notice served on defendant to vacate the premises was not legal, and thereupon the case was set aside. The court then ordered the defendant to serve a new notice, and the case was set for a new trial. The court also ordered the defendant to pay the costs of the case, and the case was set for a new trial.

**Completed Road Contract.**  
The Jones & Pocar Construction Co. of this city on Wednesday completed the road contract in the town of Lebanon. The stretch of road finished measures one and one-half miles. The same company also has the contract to build three miles of state road in the town of Lebanon. Mr. Jones stated that the work more than three-quarters done. Mr. Jones stated that the work more than three-quarters done. Mr. Jones stated that the work more than three-quarters done.

**Feed Wire Broke in the Right Time.**  
An electric feed wire broke from its fastenings some time Thursday morning from the pole in front of Blanchette & Hoffman's bakery. The wire broke at the corner of Church and Main streets, and when discovered by James Casey of Center street about 4.45 o'clock lay in the roadway. Casey notified Officers Paulina and McArthur, who stood on guard until men in the employ of the Willimantic City Electric Light Co. arrived and made repairs. It is considered fortunate that the wire did not break during the busy hours of the day when Church street is filled with traffic.

**Mayor Joined Phalanx.**  
Mayor Daniel P. Dunn left Willimantic on the 5:30 train Thursday morning and went to Hartford to join the Putnam Phalanx that participated in the big parade in New Haven later in the day.

## WEDDING.

**Brown-Hawkins.**  
At noon Wednesday at the home of Mr. and Mrs. W. B. Hawkins of North Coventry, their daughter, Miss Florence B. Brown, was united in marriage with Arthur Brown of Denver, Col. The ceremony was performed in the presence of about thirty guests by Rev. H. C. McKnight, pastor of the Chaplin Congregational church. After the wedding there was a reception and breakfast. Mr. and Mrs. Brown left by automobile and boarded the 4:30 express at Andover to start upon their honeymoon. Mr. Brown is a resident of the town of Portland, Maine, but at that time went to Denver, Col., and at present is proprietor of a fine restaurant there.

**Lively Interest in Saturday's Game.**  
Saturday, the All-Willimantic and the Emeralds, also a Willimantic nine, are to try conclusions on the Horseshoe park grounds. The question of the right to the title of the best nine in the city this season is a mooted one, and this game has been arranged to ascertain which nine has the best claim for the title. The All-Willimantic have not played many games this season, but the Emeralds is a nine that has been held together intact almost for a year, and has won a speedy bunch of ball tossers. They have maintained all along that Jack Nichols and his band will not be one-two-three with them, even though Jack has seen fit to bolster up his aggregation with some young blood, even importing Lefty Kilgore, one of the best twirlers in the American Throat Mill league, to assist him in leading the laurels away from the Emeralds. It is understood that a substantial wager has been laid upon the outcome of the big game, and as the entire game receipts. That there will be plenty of interest is assured from the animated "fanning" that is handed about on all signs.

## FUNERAL.

**Charles H. Hawkins.**  
The funeral of Charles H. Hawkins was held Thursday afternoon at one o'clock from the home in Scotland, N. H. of his father, the Rev. Dr. Charles H. Hawkins, pastor of the Scottish Congregational church, was the officiating clergyman. The bearers were George S. Carey, Calvin Anthony, D. M. Barstow and Elmer Carter. Burial was in Scotland cemetery. Funeral Director H. M. Fenn of this city was in charge of the arrangements.

## NEW GREENHOUSE.

Completed at A. A. Young's—Over 30,000 Square Feet of Glass in All the Houses.

The new greenhouse which A. A. Young has been building for the past few weeks is now completed, and contains 3,000 new carnation plants in fine condition ready for the coming season. The new house, which has a steel frame throughout with concrete sides and bed, is 208 feet long by 40 feet in width. In the roof and sides there is 30,000 square feet of glass. This house was placed exactly on end with another large house, making now the main house, which is 325 feet long by 40 feet wide, and contains 15,000 plants, which with those in the other smaller houses make the aggregate of 30,000 carnation plants. In order to place the new house so as to combine it directly with the other large house, a house 150x20 had to be moved 50 feet back and 10 feet down. This house has been built 20 years, the frame being principally of cypress. Mr. Young conceived the plan of cutting it in half, thus making two 50 foot sections. Then by means of a crane, the house was moved to the new site. The new house is a single glass. This house is devoted entirely to carnations, including flowers, Easter lilies, sweet peas, callas, and deca, gladioli, chrysanthemums and decorative plants. Altogether the houses contain 30,000 square feet of glass, which if the panes were a foot wide and placed end to end would reach over five miles. Mr. Young is making a specialty of the following 18 varieties of carnations: White Wonder, White Perfection, Queen, Mrs. C. W. Ward, Wilma, Lawson, Windsor, Mrs. Day, Crimson Glow, Pink Enchantress, White Enchantress, Deacon and Gloria. Thousands of feet of pipe carry hot water from the boilers for heating. The watering is done with city water from the street. The plan of cutting the house in half, thus making two 50 foot sections, is the elaborate system of fertilizing, which is all applied in liquid form, and is pumped from the mixing vats in the boiler room. In the height of the season the daily cuttings will run well up into the thousands.

**Cable Net Laid.**  
The contracting company has completed the work of installing the underground telephone circuits, but the cable to go in them has not been laid.

**Temperance Rallyes.**  
Temperance rallies are arranged for tomorrow and Sunday. Saturday afternoon in Dayville at 1.15 p. m., and the same afternoon at 4.15 at East Killingly. Rev. A. Judson Bolster of New York will speak and he will also be present at the rally at East Killingly at 7 o'clock in the evening. Sunday evening there will be an union temperance meeting in the town hall.

**Twenty-five Young Women**  
Notified to Come to Work in Handkerchief Department of Cotton Plant.

Notices were mailed Thursday noon to 25 young women who have made applications for work in the handkerchief department of the Danielson Cotton company, telling them that they are to be employed. Overseer Moore is well pleased with the prospect of having such a fine lot of employees and says he hopes to have no trouble in getting as many more girls as already have been told to come to work.

**Building Telford Road.**  
On Main street, on the West Side, near Dear street, workmen are engaged in putting in a short stretch of Telford, an improvement that it is expected will result in a more comfortable road for the traffic.

**To Dedicate Pentecostal Church.**  
Arrangements are completed for the dedication of the new Pentecostal church on Wednesday of next week. The members of the church, which will be the new building, which will give them a new and a very comfortable place of worship. The church property, The Hill along East Main street is from three to four inches to a point in front of Mr. Tillinghast's house. In front of the house are about six inches. The lot is all together at Dennis Barstow and at Tracy street; between these two points the greatest rise will be nine inches. In front of the house, the rise will be a foot, and the rise in front of A. A. Young's will be a foot and a half. The rise in front of A. A. Young's will be a foot and a half. The rise in front of A. A. Young's will be a foot and a half.

**There is almost no hope of the recovery of Edward Bowen, who was so seriously injured when struck by a trolley car on the 24th of March. His condition is about three weeks ago. An investigation of the circumstances surrounding the accident is being made in the interests of Bowen's relatives.**

**Sixty-two Looms Started.**  
Sixty-two looms were in operation at the mill of the Danielson Cotton company on Thursday, all of these being new machines. The whole floor of the new addition is now covered with the new looms, about 300 on that floor, and the majority of them are being limbered up in preparation for the work that they are to receive in a few days. This lot of 300 will probably be running in two weeks. The new addition is a very old machinery, with the exception of a few mules and some looms that are a few years old, has been removed from the plant.

**Bull Moose Strength About 200.**  
The number of progressives in the town of Killingly is about 200. The total vote of the town is about 1,000. Between 1900 and 1905, the percentage may easily be figured. The number of progressives in Killingly refers to the number of votes made their political preferences known.

**Number of Selections Ceases to Interact.**  
Nothing has been heard of the three selections made by the town voters in the town meeting a month ago, and it is generally assumed that the change is a result of the issue for this year at least. With so many matters of political interest at hand, the probability is that not much will be heard of it for another year.

**Mission at Plainfield.**  
At St. John's church in Plainfield a mission for the English-speaking paragonists is to be held next week, the missionaries to be Jesuits from New York.

**Holiday for Pupils.**  
In honor of the feast of Our Lady of LaSalette there was no sessions for the students at St. James' parochial school Thursday.

**Plainfield to Vote on License.**  
In the town of Plainfield a petition has been filed for a vote on the license question at the annual town meeting, which is to be held on the 24th of September. The petition has been signed by a large number of the town's residents, and it is expected that the vote will be a close one.

**Mrs. L. E. Ware to Speak.**  
Mrs. L. E. Ware, secretary of the elementary division of the Massachusetts Sunday School association, is to be heard here at the exercises to be held at the Congregational church on Sunday afternoon, September 23.

**One Case for City Court.**  
This has been a very quiet week in the city court, notwithstanding the some disturbances are looked for during fair time, the only man that caused a sitting of the court this week had been at the fair, getting intoxicated after he returned to Putnam and narrowly missing being hit by a freight train.

**Putnam Leads the County.**  
Statistics from the year book show that Putnam has the largest Congregational church in Windham county.

**Fell from Horse.**  
Miss Hazel Gifford has a bone in her shoulder broken in two places as the result of a fall from a horse at the John Gannon farm near this city.

G. M. Holman of Saybrook, member of the state board of charities, was at the almshouse in Putnam this week, making a regular visit of inspection, and finding conditions satisfactory.

**Kept a Diary 35 Years.**  
George H. Ryder of this city has kept a diary for the past 35 years, making daily entries without a break. The diary is now being sold at the Rhode Island company's service between this city and Providence.

**Supper at Guild Room.**  
A men's supper in the interest of the village improvement society, which was held at the St. Philip's church on Thursday evening. One of the objects of the supper was to increase the membership of the society.

**August a Healthy Month.**  
August was a month during which the health of people in the town of Putnam was better than in any other month of the year. The death rate was only six deaths per thousand of population, and the birth rate was 20.2.

**No Excitement Over Town Election.**  
The town election in Putnam next month will be a quiet affair. There is no chance for a contest for places on the board of selectmen, as the present members of the board have been renominated to succeed themselves, and there is to be no vote on the license question. With the town so quiet, it is expected that the election will be a quiet affair.

**A. O. H. County Officers.**  
The following are the newly elected county officers of the A. O. H. for Putnam: John P. Kelley, vice president; John P. Kelley, vice president; John P. Kelley, vice president.

**Up in Thompson it has been given out by party leaders that the progressives will not mix in town affairs (politics) but hope to win the town of Roosevelt and Johnson. About 75 voters have enrolled with the new party, a little more than 10 per cent of the strength of the town, and about the average strength shown by the progressives in other Windham county towns.**

**Rev. Arnold Von C. P. Huizinga's Book Meets Flattering Endorsement.**  
It is announced that the book "The Church in America," by Rev. Arnold Von C. P. Huizinga, formerly Congregational pastor at Thompson, has been selected by the federal council of the Churches of Christ in America to be used for their biographies and reading lists for pastors and churches. The federal council consists of the churches of all Christian denominations and is represented by the Congregational, Methodist, Baptist, and other churches. Rev. and Mrs. Huizinga are at present in London, but expect to return to the United States in about a month.

**Mrs. L. E. Ware to Speak.**  
Mrs. L. E. Ware, secretary of the elementary division of the Massachusetts Sunday School association, is to be heard here at the exercises to be held at the Congregational church on Sunday afternoon, September 23.

# E-M-F Studebaker FLANDERS

## Your Dollar Buys More

When you buy a Studebaker-E-M-F "30" or Studebaker-Flanders "20" you get more for your money, dollar for dollar, than in any other car built.

There may be other good cars—but what is their price? That's the rub. If they really are good cars, they necessarily cost more because comparatively few are built. Some poor cars, you know, are high priced too, so that the dealer can fool you by cutting the price. What a car is really worth, not what it costs, should be your standard.

The Studebaker Corporation has the largest and best automobile factories in the world. We could build and sell any competing car today for less money than its present price. In your Studebaker-E-M-F "30" or Flanders "20" you get a full value because the biggest factories and the best brains in the industry build these cars.

We have a few demonstrating cars that have been run less than 200 miles, which we will sell at a reduction, and give you a year's guarantee.

We will later be located in an up-to-date garage in Norwich to take care of our trade.
